

Checklist Digitalization

TCC and unloading Areas | LOZ, Body, Paint

Before

After

Description

- Folder Storage. The company must keep all documents, due to legal requirements, for 15 years.
 - Use of multiple rooms with limited storage.
 - Difficult and time-consuming documentation search
- Documents Digitalization
 - Documents are captured and kept on an online system.
 - Document consultation becomes easier, faster and reliable.
 - Less time consumable process.

Results and improvements

Reduction in CO₂ (879Kg) and water (5.300.000L); release of physical space used to keep documents, reduction of SGK and elimination of costs to maintain actual situation
